

Direct Annual Agent Billing for MLS Dues and eKey

After much consideration and input from our MLS Participants, the MLS Board of Directors recently voted to begin invoicing MLS dues once per year, and emailing both MLS dues and Supra eKey fees directly to agents.

Agents will receive an invoice mid-May for \$300 for annual MLS dues, and an additional \$175 to agents who lease a Supra eKey. The due date for this invoice will be mid-June for the service period of July 1 – June 30.

MLS Broker Participants will receive a list of their agents who have not paid by mid-June. As the MLS Broker Participant is the member of the MLS, they are responsible for the fees of agents licensed under them. Brokers will have the opportunity to remove an unpaid agent from their roster by June 30, or that agent's fees will be moved to the Broker Participant's July invoice. To aid in collection, MLS services will be suspended for agents who have not paid by June 30, and will be reinstated when payment is received for them.

If you have any questions, please email mpls@wisre.com or call us at 608-240-2800 and ask for Joy or Patty.
