

How to Access Roomvo

In Paragon:

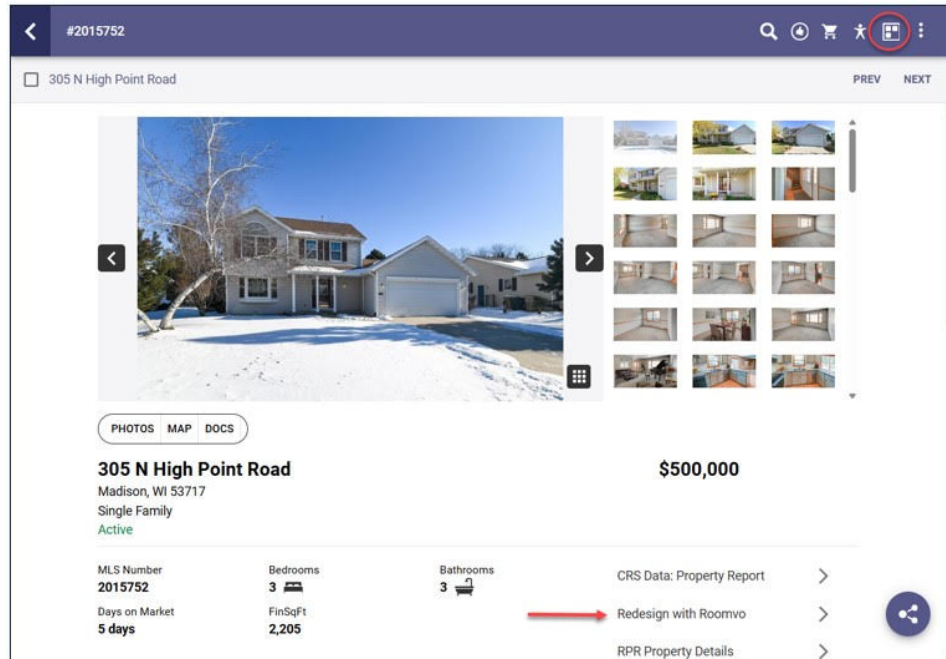

1. Log in to Paragon and click Search in the top banner.
2. Choose your class and enter your search criteria to display listings.
3. Open a listing and locate Actions (Note: If you don't have the Actions as part of your spreadsheet view you can add it or click Actions next to More at the top of the spreadsheet once you have chosen a listing).
4. Select "Redesign with Roomvo" to launch the visualizer.

Note: Roomvo works only with Active, Residential SCWMLS listings at this time. Please stay tuned for more Roomvo updates coming soon!

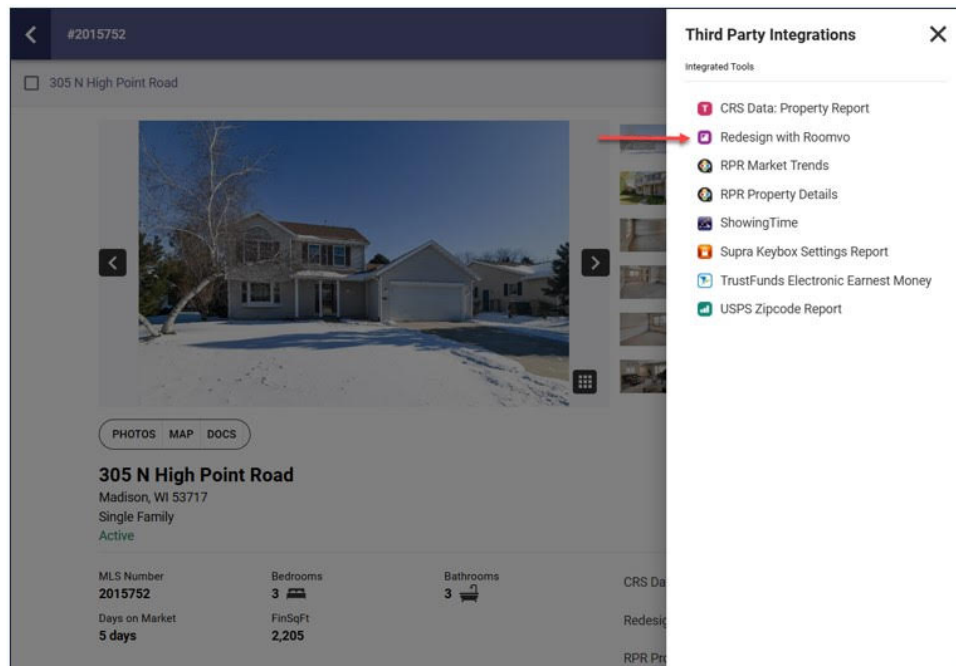

In Paragon Connect (Mobile):

1. Open a listing and access Roomvo through the Third-Party Integrations icon or the Quick Action link in the detail view.
2. Clicking on the Third-Party Integrations Icon displays this menu.

In Collab Center / CollabLink:

1. From the listing detail page, use the **Overflow Menu** → **Helpful Links** or the **Quick Action** option to select **Design with Roomvo**.
